National Community Safety Campaign

Let's all work together to create
a safe and secure town

The "National Community Safety Campaign" will be held for 10 days from October 11th to 20th. The number of crimes in Toyohashi City in 2024 (January to December) was 1,886, with 98 in the Iwata, the fourth highest number of crimes in the city. In 2025 (January to July) there were 1,012 crimes in the city, with 46 in the Iwata school district, the fifth highest number of crimes in the city.

As part of the nationwide community safety campaign, we are carrying out a variety of activities, including calling out to students, community watch teams, patrolling school routes, and crime prevention classes. As part of community safety activities within Iwata, the Iwata Residents' Association is carrying out a "Good morning/hello" greeting campaign under the "Smiling Greetings Team Iwata" banner, patrols by the "Blue Patrol Watch Team," and traffic patrols on school routes.
