On January 11th, 2026, Iwata Elementary School held a "Twenty Years Old Gathering." Blessed with beautiful weather, everyone turning twenty looked delighted, with smiles and surprises on their faces as they conversed with classmates they hadn't seen in a long time and their former teachers. With 106 participants and seven former teachers in attendance, it was a lively twenty-years old gathering.

The ceremony was led by a committee of 17 twenty-year-old classmates, who helped the ceremony proceed smoothly and gave the new adults a sense of how they have grown into adults.

Ms. Tomoko Suzuki, a member of the Toyohashi City Council, attended the ceremony and gave warm words of encouragement to the new adults.

After the 20th birthday celebration, the organizing committee held a "Celebration in Memory of Our Former Teachers," where participants played games, received letters from their former teachers that they had written in sixth grade to their 20-year-old selves, and enjoyed lively conversations with their classmates and former teachers.

Thanks to the cooperation of many people, including the guests, family members, and the organizing committee, we were able to successfully complete the "20th Birthday Celebration." We would like to take this opportunity to express our gratitude once again. Thank you very much.
